- a. This "**Response**" is directed to The United States Bankruptcy Court for the Eastern District Court of Virginia Richmond Division in regard to CIRCUIT CITY STORES, INC, et al. Debtors, Chapter 11, Case No. 08-35653 (KRH) and

**NOTICE OF DEBTORS' THIRTY-EIGHTH OMNIBUS
OBJECTION TO CLAIMS (DISALLOWANCE OF CERTAIN
QUALIFIED PENSION PLAN AND 401 (k) CLAIMS)**

- b. **The claimant's name and an explanation for the amount of the claim:**

Maria-Teresa RP Turner – Claim Number 13871

The amount claimed as filed was \$233,479.00. This was derived by the fact the estimated monthly benefit at Retirement that I was given was \$744.93. This comes to \$8,939.16 a year. With an estimated life expectancy of more than 25 years past normal retirement age of 65, my claim is for \$233,479 (\$8,939.16 x 25). I have kept in mind all that the above are estimates and that I did earn, and exceeded the 5 years of Plan Service in order to be vested and eligible for a benefit upon retirement.

- c. **A concise statement, executed by (or identifying by name, address and telephone number) a person with personal knowledge of the relevant facts that support the Response, setting forth the reasons why the Bankruptcy Court should overrule the Objection as to the claimant's claim, including, without limitation (to the extent not set forth in its proof of claim), the specific factual and legal bases upon which the claimant intends to rely in support of its Response and its underlying Claim;**

The purpose of this Bankruptcy is not to restructure so that the Company (Circuit City Stores, Inc.) can continue. It is a liquidation, in which the richest people can try to get the most money off the backs of the poorer people.

I worked for Circuit City Stores Inc. for ten years and performed in an exceptional capacity for the Company for my entire duration. I received many awards and promotions based on my performance. I was told in writing and verbally that I would receive a pension based on my years with the company. There is now talk in the media that the PBGC could become insolvent in the near future. I worked very hard to achieve the benefits that I earned. I believe that I should receive the retirement benefits that I earned while employed by Circuit City Stores Inc. in the amount of \$223,479.00. Thank you for your consideration.

- d. **A copy of or identification of any other documentation or other evidence of the Claim, to the extent not already included with the Claim, that the claimant presently intends to introduce into evidence in support of its Claim at the hearing; provided, however, that for a Response filed in support of a Claim arising out of a lease of real property, the Response need not attach such lease if the claimant indicates its willingness to provide such documentation upon request;**

See Attached Document – Copy of “Your Personal Retirement Plan Statement”

e. **A declaration of a person with personal knowledge of the relevant facts that support the Response; and**

As a fellow former employee of Circuit City Stores, Inc, as well as the claimant's spouse, I have personal knowledge of the relevant facts that are presented and in support of this Response.

f. **The claimant's address, telephone number and facsimile number and/or the name, address, telephone number and facsimile number of the claimant's attorney and/or designated representative to whom the attorneys for the Debtors should serve a reply to the Response, if any (collectively, the "Notice Addresses"). If a Response contains Notice Address that is different from the name and/or address listed on the Claim, the Notice Address will control and will become the service address for future service of papers with respect to all of the claimant's Claims listed in the Objection (including all Claims to be disallowed and the surviving Claims) and only for those Claims in the Objection.**

- g. To the extent such person differs from the person identified pursuant to subsection (e), above, the name, address, telephone number, facsimile number, and electronic mail address of the representative of the claimant (which representative may be the claimant's counsel) party with authority to reconcile, settle or otherwise resolve the Objection on the claimant's behalf (collectively, the "Additional Addresses"). Unless the Additional Addresses are the same as the Notice Addresses, the Additional Address will not become the service address for future service of papers.

Enclosure: Copy of "Your Personal Retirement Plan Statement" for Maria Teresa R Turner

Are You Thinking About How Much You Will Need for Retirement?

Retirement income can come from a variety of sources, including money from the 401(k) plan, retirement plan, Social Security and personal resources. This statement provides an estimate of your **monthly** retirement benefits from our **Retirement Plan** and **Social Security** based on your employment record as of March 1, 1999. The Company pays 100% of the cost of your Retirement Plan benefits.

Estimated Monthly Retirement Plan Benefits

As of March 1, 1999

FOR MARIA TERESA R TURNER, SSN 223-29-4945

Estimated Monthly Benefit at Retirement:	\$744.93
Estimated Monthly Social Security Benefit at age 65:	\$940.00
Estimated Total Monthly Retirement Income from Retirement Plan plus Social Security Benefit at your normal Retirement Date:	\$1684.93
Normal Retirement Date:	3/01/2031
Estimated Monthly Vested Benefit:	\$89.57

Retirement Plan

- Keep in mind that the numbers on your Statement are estimates, and that you must earn 5 years of Plan Service to be vested and eligible for a benefit payment upon retirement.
- You earn one year of Plan Service when the hours paid in your paychecks dated between each March 1 and February 28 total 1,000 or more. (Certain unpaid hours may also be counted.)
- After you earn five years of Plan Service, you become vested and are entitled to a benefit at your Normal Retirement Date. If an Estimated Monthly Vested Benefit is shown above, it represents the estimated amount that would have been payable to you on your Normal Retirement Date had your employment ended March 1, 1999.
- Your "Normal Retirement Date" is the later of your 65th birthday or five years of Plan Service. Your "Normal Retirement Benefit" shown above would be payable to you on your Normal Retirement Date if your employment ended on such date.
- Estimated benefits above assume payments are made under the Single Life Only form of payment. Generally, this pays a monthly benefit to you starting at your "Normal Retirement Date" and ending when you die. When your employment ends, your actual benefits may be different than the amounts shown.

When you consider retiring, contact the Benefits Helpline at 1-800-288-6353. An individual calculation will be prepared based on your actual employment data and Plan provisions. Benefits are paid only in accordance with Plan provisions regardless of any written or oral statements that you may have received.

Assumptions

Although the estimated benefits shown on this statement are intended to be as accurate as possible, some assumptions were made such as:

- Your current earnings will remain constant until your Normal Retirement Date;
- You continue to work at the Company, be a Plan participant, and earn a full year of service (in addition to Plan Service already earned) every Plan Year from March 1, 1999 until your Normal Retirement Date; and
- Social Security benefits are estimated using the current Social Security law and only your earnings while working for the Company. If the law changes, both your Retirement Plan and Social Security benefits could change. For complete information about your Social Security benefit, you may contact the Social Security Administration at 1-800-772-1213.

Therefore, we caution you not to rely on these estimates in making final decisions about retirement.
